Gala Dinner

In past years there has also been a Gala Dinner held at the Derby Mickleover Hotel on the evening of the AGM. However, due to circumstances beyond the control of the committee this venue is no longer available for us.

We suggest that members wishing to pursue this evening event of comradeship and fellowship inform the secretary/deputy of their desire.

Members would/should also:

1. Inform the secretary of choice between:
Traditional; Thai, Indian or Mediterranean cuisine [the final selection being dependant on the choice of the majority]
2. Arrange their own accommodation [we suggest in the Lichfield area].

The committee entertainment member would then co-ordinate the event for the evening. The cutoff date for registering intent is 28th March 2025

Members wishing this event to go ahead should note the importance of a quick response thus allowing time to arrange and distribute details.
